MEMORANDUM FOR: Director of Personnel

SUBJECT : Loss of Experienced Employees

1. Your memorandum of 28 January 1958 requests information concerning the extent to which retention of a capable staff in grades GS-11 and above is threatened by offers from commercial companies and others.

2. The Audit Staff has had seven resignations during the past two years which is a fairly high turnover rate for this staff; however, not a single case can be attributed to a solicitation by an outside organization.
